Discover Powerful Biblical Keys That Have Led To Significant Breakthrough In Many Lives...

"MicroNETS was a turning point in my life. That week I finally realised and understood that Jesus wanted me to live a victorious life in Him. After MicroNETS I began to see Him setting me free from areas of bondage to sin, and healing me physically too. The biblical understanding I gained at Ellel Pierrepont was a huge key and has definitely changed my life."

"I came here to learn more about ministering to others, but while I was here God showed me that there were major areas in my own life which needed healing. God showed me that he accepts me just as I am. He has delivered me and set me free."
